COATESVILLE CLASS OF 2020

Although the celebrations for our graduating class must be done differently this year, their accomplishments are recognized none the less. We congratulate our seniors for all their hard work and dedication both in and out of the classroom and we wish them all the best in the next chapter of their lives.

During the week of June 1st, the CASH principals and support staff held a successful "Senior Check Out". Our seniors were not only presented with their cap and gown, but they also received some wonderful gifts!

Each senior received a "Class of 2020" cinch sack containing an embroidered fleece blanket along with a beautiful ceramic Coatesville mug. Additionally, each student was presented with a personalized yard sign to take home to proudly display their achievement. Congratulations Coatesville Class of 2020!

Coatesville Adopt-A-Senior

Attention Senior Families: Are you aware of the Adopt-a-Senior initiative posted on Facebook? Currently we have had 150 families post their graduating seniors for adoption, and we are so excited to report that all 150 seniors have been adopted, within seconds of being posted! The community is very excited and eager to adopt our students, and there has been so much positivity and enthusiasm being spread on the page, that we were hopeful to get most of the graduating class involved.

If parents do not use Facebook, but would like to have their child "adopted" to celebrate their graduation they can feel free to email staufferk@casdschools.org to post on their behalf, and we would put the adopter in contact with the family. They would just need to provide a shout out to their student, list any clubs or accomplishments they would like to announce, announce plans for after high school, and any hobbies, or favorites things that their seniors would like or need.

Administrators are closely monitoring the page to cross reference and make sure only CASHS students are posted <https://www.facebook.com/groups/2920296821373362/>

6th Graders Inducted into National Junior Honor Society

This year 43 of our 6th grade students will be inducted into the National Junior Honor Society (NJHS)! To qualify for this honorable recognition, students must maintain a GPA of 85 (3.0 on a 4.0 scale) as well as display service to their community, show leadership, good character, and citizenship. A recorded ceremony with program speakers will be sent to Scott families and posted to the CASD website for our community to view during the week of June 8th. We are very proud of these students for this wonderful accomplishment!
